Happy New Year

Focused on the future! I love that!! At Clarita's House Outreach Ministry Inc., we are constantly focused on the future on what particulars need the most attention or what needs to be changed or just what needs to be done at the moment!

But it's our focused priority to help our community and those in dire situations. Our hearts and minds sometimes get overwhelmed thinking about all the people who we may not know yet that need help and how will we be able to assist them to bring

hope for the future or to have a new beginning.

We just want to say thank you to all of you! Thank You for the opportunity to make a difference in people's lives! We could not stay focused on the future without all of you!

Blessings

Will you help give HOPE to the those with an uncertain future?

We are currently working with a Young homeless couple who lost their baby in October. They are requesting help with shelter and get back on their feet.

A disabled senior woman may face homelessness. Family is having her move out of their home because they have a new baby. She is currently needing help with an apartment but only gets \$900 a month for social security.
