4 Weekender's Program

Your financial donation will help school aged children 5-17 years old, in need of food during the summer weekends!

Food insecurity has a multitude of very real side effects that often go ignored. Poor nutrition causes multitude of health issues, and children all throughout our school districts develop stunted growth and impaired learning abilities. This brutal domino effect spares no one and low-income families face this day after day.

DONATE TODAY

If you are a parent struggling to make ends meet on the weekends for your children. Food for kids will be available for children 2-17 years by appointment only for pick up Thursday through Friday. Must call office to schedule time availability.
